### Welcome to the White Oak American Legion!

*One of my goals as Commander of the White Oak American Legion, Post 701, is to communicate our news and events in a way that provides our members timely information concerning our Post. To do this we will occasionally publish a newsletter, email or other types of notices to keep our members informed. I would also like to set up these notices so they can be sent via email to either a desktop or mobile device. To do this, I will need your help! Help me share the sign-up information to all of our Legion Members!*

*Very shortly I will have set up the "Sign up for Our Newsletter" on our White Oak Legion site. But most of all, I need you to share this information with our Legion family! Jump on our site and sign up and share today! This will also be a good way to educate prospective people interested in becoming a member of our American Legion family.*

**I want to thank you for giving me the opportunity to serve as your Commander!**

How are we doing?

## YOUR AMERICAN LEGION CLUB 701

The New Year brings lots of new things to the bar. You may have noticed by now the new bar height tables. We will continue to bring new things. We thank your bartenders for taking such great care of all customers, their dedication to their job shines thru. The penguin

games will always be there to brighten up your nights. The weekend brings us the very best DJs on Saturday nights and Karaoke on Friday nights. So make plans with your family and friends to join us for friendship, good food, cold beer and plenty of ice for your favorite

cocktails! Our staff always looks forward to seeing and serving you. Stop in and enjoy 'YOUR AMERICAN LEGION CLUB 701'.
