### Legionnaires and the American Legion Family,

We are living in an amazing time where the world and the American Legion are changing so fast, it's difficult at times to keep up. However we must keep up, and we must do our best to remember every day the men and women who came before us that paved the way and set the foundation upon where we stand today. It is our right and our obligation to carry their legacy forward and assure that Veterans from all conflicts will come home to a safe and free country that will support them and help to care for their families.

And if you are a Veteran reading this and you are interested in continuing to serve Veterans and their families in your community then we welcome you to join the American Legion Family, and the largest Veterans organization in the world. For more information please contact George Geller

Thank you,  
 "Believe and Achieve"  
 "For God and Country"

Seriously be thinking about getting your dues in early this year. With the many benefits the Legion Post offers and the entry system being put in place, there will be less leniency after the first of the year with those who are not current with their dues. Don't embarrass yourself and find yourself locked out. Also, now is the time to invite new members to join. Remind your friends that many people qualify as Legionnaires, Auxiliary, or Sons and we would love to see them in the Legion Post as members instead of guests. Thanks again for your wonderful contributions and fantastic support!!

## YOUR AMERICAN LEGION CLUB 701

### Weekly Drawing

To be eligible for the weekly drawing, you must be a paid up member of either the Legion, Auxiliary, or S.A.L. and have signed the book. When the jackpot reaches \$500, a new jackpot is started. You must be present and have signed the book prior to the nights drawing.

## The Adjutants Corner

There are several members who did not yet renewed their 2018 dues. If you know someone who was a member or you thought they renewed their dues, ask them if they did renew. We need everyone to encourage the younger Military members to join the American Legion.

---

Our monthly meetings are:

Regulars - 3rd Thursday of the month @ 8 pm

Auxiliary - 2nd Tuesday of the month @ 7 pm

Son's - 3rd Thursday of the month @ 7 pm

All members are encouraged to attend the meetings and get involved.

---

Please try to pay your 2019 dues by December 31

All members need to keep all their information up to date. You can update you information online at [mylegion.org](http://mylegion.org) or by submitting the information to the Post Adjutant. There is a large number of members that their information is missing and is needed.

When you pay your dues at the bar, you MUST have your current year membership card!  
**NO EXCEPTIONS!!**

---

Thank you for being a member of Post 701!

# Volunteers are needed for projects!

We placed over 600 flags on our fellow veterans' graves for Memorial Day. We usually place them about a week before in honor of their service. This is a good way to get children and young adults involved and help them earn their community hours.

Our banquet room is available for a variety of functions. There is ample parking with easy access to the main entrance. You can choose a menu that meets your budget and has the variety you desire. The banquet room is equipped with a bar and dance floor. For availability, cost and reservations, call 412-672-7994 and ask for Tom.
