The President's Thanks

From time to time we come across those of us willing to go an extra mile. We dedicate this special edition newsletter to them.

We acknowledge that we don't have pictures for some things that people do but we honor you just the same.

Larry Hartes

President Home Association

Did you know that Paul Coates has donated so much of his time to clean and maintain
Our gun closet and our firearms! We thank you

Glenn Lynn found an old bomb!
Bernie Francetic painted it
If you swear in the bar please put a dollar in the F Bomb !

Did you know we have the only Pennsylvania POW/MIA Tree in PA?

Joe and Holly Gallagher have not only envisioned it but created and maintain this tree which honors those who are not with us.

Glenn Lynn not only brought this idea up but took it upon himself to find an old mailbox, have it repaired and then had Laurel Printing in White Oak put a wrap on it to protect it.

Leslie Hartos created and maintains our POW/MIA table
